

Missing Lync?

Is your business missing Microsoft Lync? Lync transforms every communication into an interaction that is more collaborative, engaging and accessible—all through a single interface. TSG is unique among Avaya Business Partners in its ability to integrate your Avaya voice system with the Microsoft environment you're already familiar with. Boost productivity with IM, audio-, video- and web-conferencing, seamlessly united with your voice system. You don't have to keep Avaya and Microsoft separated in your business.

Let TSG supply the missing Lync!

Offer Details*

This offer has everything you need to get Lync up and running, including:

- Server for Lync front-end
- Voice Gateway
- 5 multi-function desksets
- TSG Professional Services

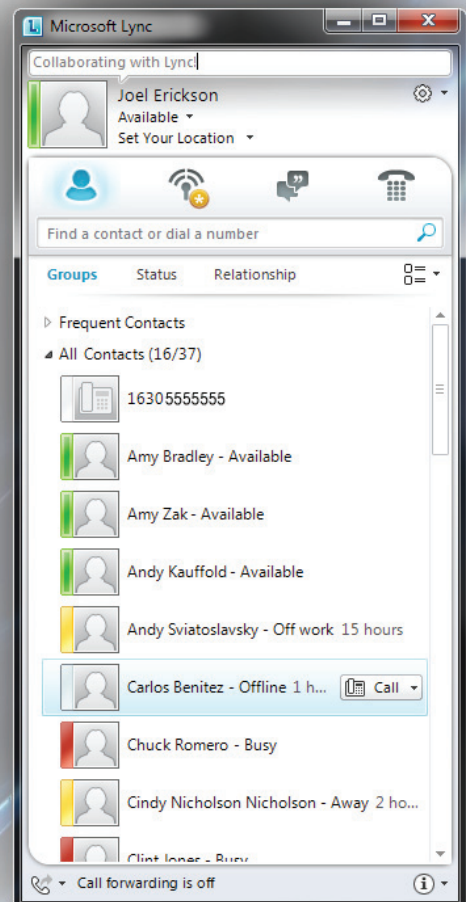

As part of the bundle, TSG will deploy Lync for 25 users, with optional scalability up to 250 users.

You'll have IM, Presence and Enterprise Voice up and running out of the box!

Bundle Price: \$19K

Options

If your business demands a more robust solution, TSG can also craft a custom offer for you.

* Offer assumes customer provides licensing (including Windows and Lync Server licensing plus CALs).
